

Student Code of Conduct

At St Jude's Catholic Primary School, we want to feel happy, excited, safe, joyful and kind.

1

In order to feel **happy**, we will respect others, be welcoming to everyone and be inclusive of others.

2

In order to feel **excited**, we will make sure to smile at each other and encourage others to do their best during games, activities and classwork.

3

In order to feel **safe**, we will make safe choices in and out of the class, stand up for each other and tell the teacher when feeling unsafe.

4

In order to feel **joyful**, we will make sure to smile at others, have a positive attitude, be empathic or understanding of how others are feeling, do our best all the time and celebrate the success of others.

5

In order to feel **kind**, we will be helpful, use our manners, be a WEST person, be understanding of others feelings and be respectful.

When someone isn't feeling in this way, or there is conflict, we will ask a teacher for help, use our words to try and resolve the conflict in a firm but polite manner and speak up when we see something that is not right.

By doing these things, we prevent bullying, harassment, and other forms of peer to peer abuse; and we require respect for the privacy and human dignity of others.
